Be Prepared...
for new adventure!

1st South Penrith Scout Group Fundraising

Everyone should have an updated first aid kit in their pocket, car or home for those small, easy to treat injuries that may occur in the home, or our on one of our many adventures as scouts. The attached First Aid Products make practical purchases, even as gifts, and would be easy to sell to friends and family.

Attached are pictures and information on the products for offer, and there is also an order form attached. Please ensure your order forms with payments are returned to your group leader NO LATER than the week starting 21st November as we will be ordering the kits at the end of that week.

Please try to sell as many kits as you can, or purchase them for yourselves or as Christmas presents etc, as all funds raised go towards camps, excursions and keeping our fees low.

Thank you for your participation in the fundraiser.
